

Full and Part Time Psychologist Positions

Who We Are:

Sageview Health is an established multidisciplinary mental health practice offering comprehensive in person and virtual services for adults, seniors, children, adolescents, couples, and families. Our goal is to maintain a culture of clinical and training excellence with a focus on ethical and evidence-based practice that meets the needs of the diverse community we serve.

We are currently recruiting Psychologists for our adult and child/adolescent divisions. Applicants interested in in-person, virtual or hybrid positions are encouraged to apply.

What we're looking for:

- A Doctoral level degree in Psychology and are currently registered, or eligible for registration with the College of Psychologists of Ontario
- The demonstrated skills to provide evidence-based clinical management, assessment and therapy services
- Primarily from a CBT orientation and are also familiar with additional modalities of treatment
- Excellent oral and written communication skills, interpersonal skills and the ability to work effectively in a team environment
- Experience working with mood and anxiety disorders

The following qualities would be considered assets:

- Facility with Mindfulness Meditation, Acceptance and Commitment Therapy (ACT), Emotion Focused Family Therapy (EFFT), Dialectical Behaviour Therapy (DBT)
- Ability to offer treatment in an alternative language
- Competency in working with couples and/or families
- Competency in working with children and/or adolescents

Why Us?

- In person or virtual positions.
- Competitive compensation
- *Flexible working hours:* Our clinic is staffed with administrative support from 8 am to 8 pm ensuring coverage is available for all schedules.

- *Diverse Referral and Client Base:* We have established referral networks with various healthcare organizations, family practices, insurers, etc., and serve diverse communities.
- *Continuing Professional Development:* We are constantly sharing and improving our knowledge, competencies, and quality by hosting regular clinical team rounds, seminars, and workshops.
- *Clinical Training Centre:* Opportunities to contribute to our graduate student training program. As a clinical training facility, educating the next generation of clinicians is important to us, and we have found that this fosters an environment of constant learning and growth for all clinicians.
- *Team:* We offer a team environment that is focused on growth and development. Our team is dynamic, collaborative and supportive. We enjoy staff lunches, team functions and celebrating each other's milestones and successes.
