

Riverbend Counselling is pleased to announce an opening for a Clinical Psychologist position.

Our mission is to provide professional mental health services in a welcoming and supportive environment, empowering individuals to improve their quality of life. Our clinical staff can concentrate on their therapeutic roles while our administrative team handles operational matters. Currently, we have a dedicated team of 12 highly skilled therapists.

For the past 17 years, we have offered professional psychotherapy services to clients in Winnipeg and beyond. We have established a strong referral network in many sectors, including medical, Child and Family Services, Manitoba Justice, as well as private, corporate, indigenous, religious, and non-profit domains. We are excited to welcome a new member to our team, where they will receive daily administrative support, dedicated office space, and the advantages of working within a collaborative and professional environment.

The candidate must hold registration with the provincial regulatory body for the practice of psychology, specifically, the Psychological Association of Manitoba (PAM).

We invite you to reach out if you would like more information about becoming a member of our agency or to send a cover letter with your CV to apply for this position.

You can check out our website at www.riverbendcounselling.ca

I look forward to hearing from you.

Gerry Goertzen, MA., RP.

Registered Psychotherapist, Agency Director
204-334-4801 ; gerry@riverbendcounselling.ca
