

Critical Trauma Therapy is a respected interdisciplinary practice with a history of providing exceptional client care across the province. Our team of psychologists, social workers, psychotherapists, physiotherapists, and dietitians is dedicated to delivering evidence-based, client-centered care across the lifespan. We specialize in anxiety, depression, trauma, relationship issues, and workplace mental health. Our practice values collaboration, continuous learning, and work-life balance, fostering an environment where both clients and clinicians can thrive.

Position Overview: A full-time role providing psychological assessment, diagnosis, and evidence-based treatment to diverse clients in both individual and group settings. This is a hybrid model of care involving virtual and in-clinic assessment and treatment services.

Location: Ontario

We are hiring Clinical Psychologists with expertise working with pediatric and adult populations.

Key Responsibilities:

- Conduct comprehensive psychological assessments and diagnoses
- Develop and implement individualized treatment plans
- Provide evidence-based therapeutic interventions
- Maintain detailed clinical records and documentation
- Collaborate with multidisciplinary healthcare teams
- Participate in case consultations and clinical meetings
- Contribute to practice development and quality improvement initiatives

Required Qualifications:

- Doctoral degree (Ph.D. or Psy.D.) in Clinical Psychology from an accredited institution
- Current registration with the College of Psychologists of Ontario
- Minimum 2 years post-licensure clinical experience
- Strong expertise in evidence-based therapeutic approaches
- Excellence in clinical assessment, diagnosis, and treatment planning

- Outstanding interpersonal and communication skills
- Motor Vehicle Accident assessment and treatment services is an asset

We Offer:

- Competitive salary commensurate with experience
- Comprehensive benefits package including health, dental, and vision coverage
- Generous pension plan
- Professional development funding
- Flexible hybrid work arrangement (combination of in-office and remote work)
- Supportive and collaborative work environment
- Paid vacation
- Regular clinical supervision and peer consultation

Work Model: This position follows a hybrid work arrangement, allowing for both in-office and remote work to support work-life balance while maintaining high-quality client care.

Start Date: Immediate opening - seeking candidates who can start as soon as possible

How to Apply: Please submit your CV, cover letter, and three professional references to helen@criticaltraumatherapy.com

Critical Trauma Therapy is an equal opportunity employer and welcomes applications from all qualified candidates.

Note: Only shortlisted candidates will be contacted for an interview.
