EMPLOYMENT OPPORTUNITY
Psychologist or Therapist, Winnipeg or Brandon

FPS Psychological Health Services, leaders in clinical and criminal psychology, are seeking candidates for full-time opportunities as a **Psychologist or Therapist** to join our team in Winnipeg or Brandon.

This role entails providing therapeutic services and psychological assessments for a diverse clientele from both forensic and general clinical settings. Many have faced significant trauma, mental health challenges, and behavioral difficulties. Our population spans children, adolescents, and adults of varying ages and cultural backgrounds, and individuals with special needs.

Ideal candidates are committed to be catalysts for change and wellness, enjoy being part of a dynamic and collaborative team, are interested in ongoing learning and professional development, and are motivated to work with complex cases in an engaged and empirically informed manner. If you are someone who enjoys challenging clinical work, being therapeutically creative, and works from a relational and trauma-informed lens, we'd like to learn more about you.

The successful candidate for this position will have:

- A strong background in providing therapeutic services to high-needs clients
- Masters or Doctoral-level training and experience in mental health, counselling or social services
- Advanced writing skills
- Ability to work independently and as a member of a multidisciplinary team

Training and/or experience in any of the following will be considered an asset:

- Assessment and treatment of individuals impacted by trauma
- Assessment and intervention with children, adolescents, and adults with externalizing behaviour problems (sexual behaviour problems, aggression, antisocial conduct)
- Parenting assessments and family therapy
- Consultation to multisystem teams
- Eligibility for registration with the Psychological Association of Manitoba as a Psychologist or Psychological Associate

We offer a competitive salary; vacation and benefits package; pension plan; and a collaborative, supportive cutting-edge work environment where forward thinking, creativity and input are valued. We also offer opportunities for professional growth, teaching, supervision and research. Our success is a direct result of our outstanding team and a work environment that inspires exceptional service. For more information, visit us at www.FPSpsychealth.com.

Please submit your resume and cover letter, including which position you are applying for and salary expectations to fpscarers@fpopsychealth.com. We thank all candidates who apply, however, only those selected for an interview will be contacted.
