

School Psychologist required for Moon Hall Assessment Centre **in New Giza, Cairo, Egypt**

Moon Hall is opening a world class Assessment and Learning Centre in New Giza, Cairo and are looking for a full time School Psychologist from September 2025.

This groundbreaking collaboration between New Era Education and Moon Hall School will establish a pioneering partnership in the education sector. Our joint vision places children and their needs at the core of this unique provision. Moon Hall has shown its ability to positively influence student outcomes through customised programs that help children excel.

This new initiative will serve children with Special Educational Needs and those who could benefit from individualised support to boost their academic performance. Moon Hall Learning Centre in New Giza is a pioneering facility dedicated to supporting children with Special Educational Needs (SEN). We are seeking an experienced School Psychologist to conduct diagnostic assessments and work as part of a multi-disciplinary team.

Role Overview

The School Psychologist will play a crucial role in our specialist Centre, conducting diagnostic assessments for children and contributing to the holistic support of individuals with suspected SEN. As part of our professional team, you will report to the Head of Centre and collaborate with other specialists to provide comprehensive guidance and support to families.

Key Responsibilities

- Conduct thorough diagnostic assessments for children visiting the specialist Centre Interpret and analyse assessment results to identify specific learning needs and challenges
- Develop detailed reports outlining findings, recommendations, and intervention strategies
- Collaborate with other professionals in the team to create integrated support plans
- Provide expert guidance and recommendations to families and educators
- Contribute to the development of individualized education plans (IEPs)

- Participate in multidisciplinary team meetings to discuss cases and coordinate interventions
- Stay current with the latest research and best practices in School/ Educational psychology and SEN
- Maintain accurate and confidential records of all assessments and interventions
- Contribute to the Centre's ongoing development and improvement initiatives

Essential Criteria

- Doctoral degree (Ph.D. or Psy.D.) in School Psychology from an accredited institution
- Valid license to practice as a School Psychologist – having the appropriate registration and belonging to their appropriate registered body.
- Minimum of 5 years of experience in conducting diagnostic assessments for children with SEN
- Extensive knowledge of a wide range of psychometric assessment tools and their interpretation
- Proven experience in working with children with diverse learning needs
- Excellent written and verbal communication skills in English
- Strong interpersonal skills and ability to work effectively in a multidisciplinary team
- Proficiency in using technology for assessments, report writing, and data management
- Commitment to maintaining the highest professional and ethical standards
- Clean criminal record and ability to pass rigorous safeguarding checks and DBS checks

Desirable Criteria

- Additional qualifications in related fields (e.g., Special Education, Child Development) Experience working in international or multicultural educational settings
- Knowledge of the Egyptian educational system and local SEN landscape
- Proficiency in Arabic or other relevant languages
- Publications or research experience in the field of School psychology or SEN
- Experience in developing and delivering training programs for educators and parents

Professional Standards

- All employees at Moon Hall International are expected to uphold the highest professional standards, including:
- Adherence to ethical guidelines set by relevant professional bodies
- Commitment to ongoing professional development and continuous learning
- Maintaining confidentiality and privacy of all client information
- Demonstrating cultural sensitivity and respect for diversity
- Collaborating effectively with colleagues, families, and external stakeholders
- Contributing to a positive and supportive work environment

Requirements

- Provide a minimum of three professional references
- Submit to comprehensive background checks and safeguarding verifications
- Provide proof of relevant qualifications and licensure
- Demonstrate a clear understanding of child protection policies and procedures

This is an exciting opportunity to be part of a groundbreaking initiative in the region. The successful candidate will have the chance to shape the development of our Specialist Centre and make a significant impact on the lives of children with SEN and their families.

If you are a dedicated professional with a passion for supporting children with diverse learning needs and want to be part of this innovative venture, we encourage you to apply.

Benefits

- Competitive salary – in line with the Soulbury Scales (UK guidance for Educational/ School psychologists)
- Furnished accommodation near the Centre
- Health Insurance
- Annual return travel to your home country

Timescale

- Application deadline: 24 April 2025
- Start date: September 2025
- Email: ellingl@moonhall.co.uk - Mrs Lucy Pelling, Moon Hall School for more information

Moon Hall International is an equal opportunity employer and values diversity in our workforce.
