

PSYCHOLOGIST PhD & MASTERS

OPPORTUNITIES IN SASKATCHEWAN

We are actively recruiting psychologists into roles for mental health and addictions with children, youth and adult populations. Psychologists work within community and outpatient care sites, on specialized assessment teams, and on teams focusing on treatment, education and consultation. We have a strong professional community for psychologists providing free, publicly funded psychological services to complex clinical presentations as part of an interdisciplinary team.

Benefits and Incentives:

- Hiring incentive up to \$30,000 may be available plus relocation up to \$3,000 based on location
- Defined Benefit and Pension Plan
- Supervision for registration/licensure provided at no cost
- MyWellbeing Program: resiliency resources, mental health & family supports
- Extended Health and Dental Plan
- Compensation of time for licensure exams
- Reimbursement of Professional Licensing Fees

Psychologists working with the SHA are unionized employees and are members of the Health Sciences Association of Saskatchewan (HSAS).

Clinicians eligible for provisional registration in Saskatchewan are encouraged to apply!
