

# Saskatchewan College of Psychologists

## Registrar/Executive Director

The Saskatchewan College of Psychologists (SKCP) is the regulatory body overseeing the practice of psychology in Saskatchewan. It ensures that anyone using the title “Psychologist” meets stringent educational, ethical, and competency standards. SKCP is responsible for licensure, monitoring professional conduct, and addressing complaints, all with a strong focus on public protection. This is an important time for the College as it seeks to appoint a new Registrar/Executive Director.

Reporting to the Council, the Registrar/Executive Director provides overall leadership and administration of SKCP, ensuring all regulatory functions align with its public protection mandate. This includes oversight of registration, complaints, conduct, and standards of practice, while seeking alignment with other provincial regulatory best practices. With senior experience in financial management, operations, and policy development, the Registrar/Executive Director supports Council as a strategic advisor and ensures compliance with relevant legislation. The role involves working with committees, managing College finances, and representing SKCP with integrity in external relations. Committed to modernization and collaboration, the Registrar/Executive Director advances the College’s strategic priorities and reinforces public trust in the profession.

As the ideal candidate, you are a capable administrator with insight into system change, health care regulation, and interprofessional collaboration. You have experience in good governance practices and ensuring operational efficiency. You bring emotional intelligence, sound judgment, and a demonstrated ability to lead through complexity and change. Skilled in building collaborative relationships, you engage effectively with Council, staff, and external stakeholders. You are agile and forward-thinking with a clear focus on SKCP’s mandate to protect the public and uphold professional standards. An advanced degree in psychology (Masters or PhD) or a registered psychologist designation is preferred.
