About Us

We are a provincial health authority responsible for delivering quality health care to approximately 550,000 people in Newfoundland and Labrador. Supported by over 23,000 employees and physicians, our team works together to improve the health and well-being of every person, in every community. Guided by the vision of the **Health Accord NL**, we offer a range of health-care programs and services through a wide network of facilities, clinics, and community services across five zones: Central, Eastern-Rural, Eastern-Urban, Labrador-Grenfell, and Western.

At NL Health Services, we believe that our people — employees, doctors, and volunteers — make it a great place to work. Every individual brings valuable knowledge, experience and perspective. It is in this diversity that we find strength. We are committed to embracing the distinct and complementary characteristics of our members as we seek to eliminate health disparities and ensure we provide fair, equitable, and high-quality health care to everyone. **If you are passionate about making a difference and providing exceptional health care, we want to hear from you. Join our team and be part of something extraordinary.**

Job Summary

NL Health Services offers psychology services to children, adolescents, adults and seniors while in hospital (inpatients), within the community (outpatients), and within long term care (residents) through a variety of programs including Mental Health and Addictions, Child and Women's Health, Rehabilitation and Continuing Care, Long Term Care, Medicine, Surgery, Cardiology, Community Living and Supportive services. Psychologists with NL Health Services enjoy autonomous practice, private offices and typically work Monday to Friday, 9 to 5.

NL Health Services provides our psychologists with the supervision required for licensure and also offers them the opportunity to supervise students and residents. Our psychologists are well respected and valued. NL Health Services encourages you to inquire about our current vacancies, competitive pay and benefits, relocation assistance, student bursaries, and other employment incentives. Opportunities may be eligible for consideration in the Canadian Rural Student Loan Forgiveness Program. Access to immigration and settlement support services are available.

Job Qualifications

For all Psychology positions, a Master's in Clinical Psychology is required, Doctorate preferred. Registration or provisional registration with the Newfoundland and Labrador Psychology Board is required. Individuals who are eligible for registration will be considered.
