

West Coast Psychological Services (WCPS) is a well-established assessment practice with locations throughout B.C. We are currently looking for a licensed psychologist who has experience conducting assessments for children and youth (8 yrs. +) as well as for adults.

Commonly-requested assessments include: psychological, neuropsychological, psychoeducational, learning disability, ADHD, ASD, and psychovocational assessments.

As a contractor, this position can suit your individual circumstances, and either be equivalent to P/T or F/T employment, depending on the number of monthly referrals you want.

We have offices located in: New Westminster, Kelowna, Victoria, and Courtenay. With the exception of assessments for children, (adult) assessments can typically be conducted remotely. Office space can be provided for in-person testing at any of these locations. Preference given to those applicants located in Kelowna or Vancouver Island north.
