

Join the team at **Dr. Michel A.S. Larivière, C.Psych. and Associates**, in partnership with NuVista Mental Health. Our mission is to provide a safe and supportive environment for clients, clinicians, and staff. We are excited to announce that we have an opening in our Sudbury location for a **Psychologist** to join our team.

We work closely with governmental agencies, organizations who assist veterans, military personnel, first responders and many other referral sources. However, our referrals are not limited to trauma-related challenges as we also work with adults, couples, families, and children facing a wide range of mental health and personal challenges. We regularly have a surplus of referrals and are eager to provide services to all in a timely fashion.

Our clinicians are employed as independent contractors and have access to both a comprehensive benefits package and educational allowance. By joining our team you will have the ability to consult with other clinicians daily as well as attend regular clinical meetings that address operational and clinical topics. All while being in control of your own practice, including cultivating the right work life balance for you by deciding when and how much you work.

We are looking for someone who possesses the following:

- Masters or doctoral degree in psychology from a CPA- or APA-accredited program
- Relevant working experience in areas of practice, with an emphasis on trauma-related work
- Registered with the College of Psychologists of Ontario (CPO)
- Possesses Professional Liability Insurance or be willing to obtain
- Demonstrates professionalism and effective case management skills (e.g., timely reports)

Join us for:

- Extended health, dental, and vision benefits package
- 3 weeks of vacation
- Work-life balance with flexibility to create your own schedule
- Administrative support within an established, busy practice
- Support from peers with diverse knowledge and experience
- Innovative and professional growth-orientation culture

Apply now: Please email a copy of your CV to recruitment@nuvistamentalhealth.ca

We look forward to partnering with you in your career!
